RE: Gerardo Alamilla-Barcenas
CR 06-0433-01 VRW

Your Honor:

The purpose of this memorandum is to request a continuance for the sentencing on the above named case. Sentencing in this case is currently scheduled for December 5, 2006, at 10:30 a.m. This continuance is being requested due to administrative error in routing the presentence investigation. Moreover, the probation officer is awaiting discovery materials from the government involving the defendant's prior deportation proceedings and involvement in the instant offense. This information is key in determining the guideline calculations in this matter. Upon receipt of these documents, I will need additional time to prepare the presentence report.

The defense counsel and Assistant United States Attorney have been notified of this request and have no objections to the continuance. Accordingly, I am requesting that this matter be continued to January 9, 2007, at 10:30 a.m.

If there are any questions, please do not hesitate to contact me at (415) 436-7578.

Respectfully submitted,

Iris R. Winey
Acting Chief U.S. Probation Officer
